Availability

An availability list is available for your review. You can download from our website @ <u>www.fowlersnursery.com</u> 24 hours a day at your convenience. You may choose to receive each week's availability list automatically by e-mail, fax or USPS mail per your request. Typically the list will be distributed on the Friday evening prior to the upcoming week. Please notify our office should your fax machine be in your home, very often the fax list will ring late in the evening. We make every effort possible to make sure that all information is correct; however, please let us know if you have a customer with a special request so we can accommodate you correctly. Our availability list does not reflect a guarantee that you will receive that item when your order is picked-up or delivered. All non-contract Spring-Summer Color and Fall Color are pulled first come, first served when your order is pulled – not placed.

Terms

Cash, check or credit card information (Mastercard and Visa accepted) is due upon receipt of delivery or pick-up unless in-house credit has been established prior to delivery or pick-up. All first time orders are C.O.D. regardless of credit approval. Establishing in-house credit requires a minimum of 10 business days. Once approved, all our accounts are net 30 days from invoice date. The invoice you receive upon purchasing anything from us is your bill, no other will be sent unless changes are made at time of delivery. Any account 30 days past due from the date on the invoice will be charged 1.5% interest monthly, 18% annually. All delinquent accounts are subject to C.O.D. status and revocation of any discounts and or incentives. A **2%** *instant rebate will be applied to all invoices totaling \$350.00 or more when paid by cash or check at time of delivery or pick-up. To receive our 2% instant rebate, the invoice must be paid in full by cash or check and given to the driver when delivered or office staff when picked-up.* NSF checks will be charged a \$30.00 service charge and all discounts will be revoked and the invoice will be re-billed accordingly.

Liability

Our responsibility ends when shipment leaves our nursery. We at times are requested to combine our plants with another company's on their truck. In this case, our liability ceases upon acceptance from that company. All claims must be made within 48 hours of receipt of delivery and in some cases are required in writing. Our liability in no case shall exceed the purchase price. We are not responsible for the survival of our plants after product leaves our nursery.

<u>Hours of Operation</u> Monday through Friday 8:00 am – 12:00 pm and 1:00 pm – 5:00 pm

Prices

Prices listed are FOB Fowler's Nursery and are subject to change without notice. Energy and or fuel surcharges may apply without notice. This list cancels all other quotations and may become void through dated availability lists. All discounts are based on picked-up or delivered at one time. Discounts and or incentives cannot be combined with any other offer, nor can they exceed 10% of the list price. Prices listed are whole-sale. To qualify to buy wholesale you must be actively involved in the wholesale or retail resale of plants (i.e. landscape contractor, building contractor, nursery or garden center). Please do not send your clients to the nursery by themselves. We are not staffed to handle retail customers, nor can we quote them wholesale prices. We extend whole-sale prices to Churches, Civic Organizations and Schools for fundraising. Some restrictions may apply. Contact our office for more information concerning your group's fundraising efforts.

Sales

Orders may be booked at any time during the calendar year. All woody ornamental spring orders must be delivered or picked-up by April 1 and fall orders must be delivered or picked-up by September 15, unless prior arrangements have been made. We accept all orders on condition that they become void should injury befall the stock. We do not hold stock from inventory unless a confirmed order has been placed. Certain circumstances may require us to ask for a deposit to hold your order. All non-contract orders are pulled first come, first served when your order is pulled – not placed. There is a \$50.00 minimum on all orders.

Pick-up Orders

All customers are welcome to visit our facility at any time during our business hours. All customers are asked to first come to the office when arriving. During peak seasons, we suggest you call or fax your order prior to picking up to eliminate waiting for your order to be pulled. All pick-up orders placed after 11:30 am will be ready for pick-up after 1:00 pm. All pick-up orders placed after 4:30 pm will be pulled the following business day. There is a \$50.00 minimum on all orders.
